

Live In Care

*Living Your Life,
Your Way!*

Mi Casa Care supports independent living empowering you to

live Your life, Your Way!

At **Mi Casa Care** we pride ourselves in delivering **outstanding, 24 Hour Live-In care** which is professional, responsive and person-centred putting you **at the heart of all we do**.

We are with you every step of the way by providing you with your own **personal Care Manager** guaranteeing you excellent communication and continuity throughout.

We **match you with your perfect carer** ensuring they have the right personality. They must be someone who will enhance your life, support your individual needs and who shares common interests and hobbies. This ensures that you feel **comfortable and confident** with your handpicked live in carer in your home.

“Mi Casa Live-In Care Service is a real alternative to residential care, enabling you to remain in your own home with full care and support”

Live-in care enables you to be cared for in a way that helps you to live the life you want, in the comfort of your own home, 24 hours day as an alternative to residential or nursing home care.

To ensure you receive a quality standard of care we take the time to listen to individual needs and requirements. This enables us to tailor a care package that is best suited to your everyday routines and what is important to you.

“ Compared to other care agencies we have had, Mi Casa Care are the best! All staff are experienced to provide stroke care to my husband and they encourage independence.” JP

We have one of the **toughest recruitment processes** across Europe and as such we are able to match you with a **highly trained, trusted professional who has extensive experience and exceptional references**. We are also registered with the Care Quality Commission (**CQC**) setting out our commitment to the delivery of **Person Centred Quality Care** across both the **UK and Spain**.
